

## APPRECIATION

The wonderful staff at Republic Nursing and Rehab who see people at the end of their journey, and every day provide patience, kindness, and caring. Thank you to the entire staff, especially Elaine, Rene, Annie, Angi and Russ for the care, concern, and love for mom. You preserved her dignity. To the staff she was affectionately known as Miss Anna. To mom, every staff member was Doctor Powers. Doctor Powers took very good care of her. We don't have the words to thank you for what you provide.

To Daisy McClennahan, a special care giver, who became family. She embraced mom as if she was her own mother, going above and beyond, over and over. Her love for mom was very apparent.

Thank you from the bottom of our heart.

To the Saint Elizabeth Ann Seton family: For many years you embraced mom and dad spiritually and provided a path to worship. Your benevolence over the years was always greatly appreciated.

Thank You from the bottom of our heart.

## Anna May McKairnes

*"And now these three remain:  
faith, hope and love. But the  
greatest of these is love."  
1 Corinthians 13:13*

**Anna May McKairnes**  
**Born: July 15, 1937**

**Called home to the Father: March 19, 2024**

Our Precious Mother:

For all our lives you made us the center of yours. There are no words to capture the sadness we feel as you leave this place to join our Heavenly Father and those who have been waiting to welcome you. We know you now have the peace you deserve, but there are so many things we will miss in your absence. You will live on in our hearts, and our memories will keep you close. The depth of our love knows no limits.

Most important to us are the words found in Luke 10:20:  
"However, do not rejoice that the spirits submit to you, but  
rejoice that your names are written in heaven."

Family and friends, please find comfort in these verses:

1 Thessalonians 4:13,14

John 14:1-4

Galatians 6:10
